

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

MICHAEL LUSTIG,

Defendant.

CASE NO. 13cr3921-BEN

**ORDER QUASHING
SUBPOENA TO CUSTODIAN
OF RECORDS FOR THE
OFFICE OF THE SHERIFF OF
SAN DIEGO COUNTY**

Counsel for Defendant obtained a subpoena duces tecum from the Clerk of Court and served it upon the Custodian of Records for the Office of the Sheriff of San Diego County on February 13, 2014. The subpoena sought documents that ostensibly would identify department policies on vehicle impound and inventory searches. The Sheriff timely filed an objection and moved to quash.

Because the Court has ruled on the related issue of Defendant's motion to suppress evidence obtained during the inventory search of Defendant's car, the documents are no longer relevant.

Therefore, the Sheriff's objection is sustained and the motion to quash is granted.

DATED: March 11, 2014

Hon. Roger T. Benitez
United States District Judge
